THE REVERIE OF A DOWNTOWN CHURCH

I am a downtown church. Some people rather pity me, for they think I am destined to grow weak and die. But they do not know me, or they would know better.

I have an honorable history. I was here more than a century ago, and I will still be here a century hence. Long after neighborhoods have changed and good neighborhoods have deteriorated, and strong neighborhood churches have become weak neighborhood churches, I will continue to be strong.

For I am in the heart of the city, and my ministry is not to a section of the town, but to the entire city, for I reach out in every direction. My ministry touches every neighborhood, and it extends to all classes.

I am not provincial in my outlook. In me, the rich and the poor mingle in the fellowship of worship. Through me the poor are ennobled and enriched, and the rich are made generous and gentle.

I live to serve. I exist for others. This may be the reason why I continue to keep my strength through the years.

It is sometimes said that I am not so convenient to attend. But who ever said that religion is to be a thing of convenience? If pilgrims of Israel could travel the length of Palestine afoot to attend the special temple services at Jerusalem, surely the twenty minutes it requires to come to the heart of the city is not too much.

You come downtown to shop. You come downtown for your entertainment. Many of you come downtown to work. Is it any more of a hardship to come downtown to worship?

You would not want me to die through your indifference, any more than you would want your downtown postoffice, courthouse and department stores to die.

I leave my future to you, for my place in the city depends upon your loyalty. I believe that I can count on you.

THE RECTOR'S REPORT

THE FELLOWSHIP OF ST. STEPHEN'S CHURCH—GREETINGS:

There is good news of the work and worship of St. Stephen's Church. The number of new members and attendance at all our services has been increasing steadily over the past years, and this year has already beaten all previous records. Our treasurer reports that contributions have never been so generous in the past twenty-five years as they have this past year. We have much to be thankful for. Blessings have been many and wonderful—miracles of God's bounty. Thanksgiving paves the way to more and greater blessings.

First of all, the spiritual blessings. God has strengthened us inwardly with a faith and confidence which the world may assail but cannot overcome. We thank God for the awakened faith and the deeper personal devotion which is the growing experience of many people since they have come into touch with the worship services of this church. The following letter is indicative of the reactions of many who have come to us through the open doors of this downtown church through the week and on Sundays:

"Since moving to Philadelphia, I have been going from one church to another to find the needed services.

"St. Stephen's seems to have what my individual soul needs. And for sometime back there has been an urge to come there and belong. The regular early Holy Communion which seems so necessary in my life is so easily reached at 9:00 o'clock, the later service with the period of silence is so invigorating to say the least, the wonderful sermons have been helpful, and the best music with the congregational singing gives an opportunity to sing all you want. As you already know, the healing services and lectures are a large item, and then the friendly atmosphere means much to make one feel at home.

"One of the main reasons why I want to belong to St. Stephen's is that I may be a means of service.

"Again in gratitude for the many blessings found at St. Stephen's,

"Sincerely,

(signed) D. K."

We thank God for the prayer support of the friends of St. Stephen's. Without this support there would have been no spiritual harvest. The church's work and its workers depend upon the prayers of our friends outside.

There can be no material famine whilst prayer is unceasing and increasing. This is the lesson which the world is slow to learn. The world thinks that its troubles are a material problem. The reverse is the case. The real problem is the spiritual dearth from which the nations are suffering.

We also thank God for the material support of the many benefactors of St. Stephen's Church. God provides for the work we do in His Name. Thus we work without anxiety, fear, or fretting. "Where God guides He provides."

Of course, figures never prove a thing, they say. But nevertheless, they are interesting. Year by year we are giving more to worth-while objects outside the parish. Each year we assume a larger pledge to the

missionary work of the Episcopal Church. This year we oversubscribed our missionary quota of $4,500.00. We raised $1,040.54 for the Episcopal Hospital. We gave $104.00 for Theological Education, $456.15 for the Women's United Thank Offering. We gave $1,142.00 for the Presiding Bishop's Fund for World Relief. We raised $1,719.13 for the benevolent purposes of our parish. Besides a great many packages for Britain we gave $65.05 for this project. We raised $305.02 for our Christmas Basket Fund. We paid in full our Diocesan Assessment of $1,244.41. The total of our benevolent giving for 1948 was $11,213.41. So, again, many thanks for this marvelous expression of your interest in the vital work of the Church. Sixty-five percent of all the money contributed to St. Stephen's by members and friends in 1948 found its way to benevolent and mission objects outside the parish. O yes, we almost forgot—despite the rising costs in every item on our budget this past year, we closed the year with a balanced budget and go into the new year with all bills paid.

The Thursday Healing Services continue to grow in numbers and in helpfulness. Organic, functional and emotional cures occur with satisfying regularity. Over three thousand persons attended these services this past year. A 5:30 P. M. service was added this past year which meets the need of those whose work prevents them attending the 12:30 service.

When it comes to taking Jesus literally about our present ability to banish illness and restore health, most people say little out of reverence, but they cannot accept His teaching. They do not question His glorious example or His authority as Guide and Counsellor for human life. But when they come to His acts of healing and His amazing promise about faith, prayer and health, then they shy off.

But isn't it dubious wisdom to accept part of Jesus' teaching as the will of God for our lives and then act as though He were deluded or at best misguided in saying that His unique powers could be as truly ours as His. And that is just what He did say, that sickness was an enemy in God's world, that it was to be done away with immediately if you and I would fulfill certain conditions.

I believe in God's healing power with my whole heart. I have seen it work and can humbly say that God has allowed me to share in bringing this miracle of health to others. God wants us to be well and happy. That is the way He planned life. If our faith and trust are pure, our love uncontaminated, our prayers constant and without any taint of selfishness, our Father is eager to heal us of our diseases.

The Tuesday Noon Club for Business Men was organized last May and it has grown to a present membership of 131. These men come from forty-seven office buildings and represent a good cross section of the business life of the community. The major Christian denominations are well represented. The meeting is held in the church every Tuesday at 12:30 to 12:55 P. M. There is enthusiastic singing by the men; then prayers, after which the Rector gives a brief, practical fifteen-minute address on some vital theme of the Christian life. The men have their lunch on the second floor of the Parish House, some before the service, some after the service. An energetic committee of the women of the Hard of Hearing Congregation prepare the luncheon. Too much praise

cannot be given to this loyal and energetic committee. The Rector is confident that in time this Club will take an important place in the religious life of Philadelphia.

This past year under the leadership of Mr. Edwin S. Heins our Church School was reorganized. The hour was changed to eleven o'clock and a nursery school was inaugurated. Those who have been confirmed are automatically graduated to the adult church. A very encouraging increase of pupils has resulted. Mrs. Alfred Price assisted by the Misses Emma Smith and Eleanor Read are in charge of the Nursery and Kindergarten. Mr. Heins has the Primary, Miss Grace Campbell has the Juniors and Miss Lola Ball the Intermediate. With the Sunday School hour coinciding with the Morning Service we look forward to an increasing attendance.

During the year 1948 we had 428 services in St. Stephen's Church, 148 were Communion Services and 324 were preaching services. Forty-two thousand seven hundred ninety-one was the total attendance at all services. There is no record of the number who came into church during the week-days for prayer and meditation. The following breakdown may be of interest:

SUNDAY SERVICES

9:00 A. M.—883; 11:00 A. M.—9,840; 7:30 P. M.—4,435

WEEKDAY SERVICES

Tuesday—876 (24 services); Wednesday—1,801;
Thursday—3,311; Friday—1,517

Lenten Services—17,489. Special Services—2,499

St. Stephen's Church operates seven days a week. In so doing, it demonstrates the fact that Christianity is concerned with all of a man's life and with all of a man's time. When it becomes simply a Sunday affair it is little more than a mockery. While the chief function of the church is to provide an opportunity for public and private worship, as a part of which the Word of God is preached and the sacraments administered, there are other functions which in their place are important and significant. To work out the implications of the church's worship and to demonstrate its principles of belief in action, all of which is done within the fellowship of the group, is the purpose of the activities which are centered in the Community House. Every person who takes part in the worship of the church should, in the nature of things, take some part in the church's activity. As far as we can see, there is a place in the program for everyone. We would like you to find your place, and when you find it, to take it. There is no place in the church for spectators—participants alone are needed. There are some, of course, who in the course of events have been prevented from active participation in any activity, and they are released from active service, but for those of us who are well and strong the only way to full and real Christian life is the way of action.

In the Office of Instruction in the Prayer Book, we are told that it "is the bounden duty of every Christian to work and pray and give for the spread of His Kingdom." These parochial reports that follow are given that you may see to what extent we have been faithful to that command. Not even a rector knows all the hard work that goes into the

successful running of a parish. His brain would have room for little else if he tried to keep track of it. Much of the work is "unheralded and unsung." It is not done for public recognition but for the joy of serving. Though these reports, therefore, will in no way show what the individual members of the parish have done, it does give a fairly accurate picture of our corporate work during 1948. Very few of our members are aware of all the work being done, and we therefore urge you to study all of the reports, that you may have a better understanding of what the church, your church, is doing.

We are members of the church for one reason only, and we should be willing to do whatever will make that church a strong and effective force for Christianity. The ideal of a truly Christian society can be realized only by those of us who are willing to make sacrifices for the greater gain. If St. Stephen's is alive and vital, we will be able to meet the needs of the present and future.

May we count on your ever increasing co-operation, and may God give us all the wisdom and grace for this united and solemn responsibility.

Faithfully yours,

ALFRED W. PRICE, *Rector.*

REPORT ON ACTIVITIES OF THE VESTRY FOR THE YEAR 1948-1949

In the preceding Church Year the Vestry held its usual number of regular meetings and various committees of the Vestry, such as the Executive, Burd School, Community House, Church Property, Music, and Memorials held numerous meetings and their actions and recommendations were reported to and acted upon by the Vestry. As usual a large number of financial transactions involving the purchase and sale of securities, acceptance or rejection of mortgage applications, agreements for the sale of real estate and various other matters were acted upon by the Executive Committee under the guidance of the Accounting Warden. During the year the last pieces of real estate held by the church as a result of mortgage foreclosures during the depression were sold. The Accounting Warden in accordance with his usual custom submitted a Statement of Receipts and Disbursements for the preceding month to the Vestry at each of its regular meetings, all of which were accepted and approved by the Vestry. The Accounting Warden also submitted the Auditor's Report on an examination of his books and records covering the period of the Calendar Year 1947, a budget for the year 1949 and numerous recommendations and resolutions relating to church bookkeeping, the withdrawal of funds and allocation of securities, and investments—all of which were adopted by the Vestry.

The Treasurer of the Burd School made verbal reports from time to time of various improvements and economies in the operation of the Burd School and the Superintendent of the Church School made various recommendations, suggestions and reports—all of which were adopted and approved by the Vestry.

The Vestry also considered and acted on additional matters such as help for the Hard of Hearing Congregation and integration of their activities into the work of the church, the use of the Community House by various organization and the circumstances and conditions under which

such use could continue, the fixing of the missionary quota, the adjustment in wages of the Rector and members of the Church Staff, and the election of Delegates to regular and special Diocesan Conventions.

The Vestry also discussed a variety of topics and their relation to our particular church such as the financial affairs of the Episcopal Hospial, the Every-Member Canvass, the Episcopal Church Radio Program, automobile parking facilities at the church, the Tuesday Business Men's Luncheon Club, the Healing Services, the Milk Fund, the desirability of major repairs to the Church Organ and curtailment of its excessive and unauthorized use.

Through the Burd School Committee, the Vestry remained in close touch with conditions at the Burd School and monthly reports from the Directress were read and accepted at each regular meeting of the Vestry.

The Vestry meeting in May, 1948, was held in the office of the Dean of the Philadelphia Divinity School and all subsequent meetings took place in the Rector's Study. The character of the problems confronting the Vestry frequently required lengthy meetings which were frequently attended by the entire Vestry. All Vestry meetings and all committee meetings of importance have been attended and presided over by the Rector and he has also, as usual, kept the Vestry fully informed on all Staff matters and religious topics. We of the Vestry continually marvel at our Rector's unceasing energy, at our great good fortune in having Dr. Price as our Rector, and are continuously inspired by his example, sincerity and resourcefulness to put forth our best efforts for the benefit of the church.

Respectfully submitted,

DAVID L. GERMAN, *Clerk of the Vestry.*

In addition to the above, I am pleased to report that during the year 1948 there was received from the Estate of Emily Ada Browne $4,505.70. the principal of a legacy for the work of our Benevolent Society. This fund has been passed to the principal account of the trust for the Benevolent Society and was invested.

During the year 1948 the Church was very kindly remembered by the late Mrs. Mary Lamb Walton in her will, who appointed out of the estate of her grandfather, the late William Bryant, a bequest to our Church in the sum of $10,000 for General Church Purposes. It is expected that this legacy will be paid to us very shortly and a suitable recognition will be given in our Church to this kindly and most acceptable benevolence.

The receipts which are reported show a further progression for Church, Special Parochial, Diocesan and General Church Purposes. The figures are outstanding evidence of the growing interest in our Church and the usefulness of its works and credit therefor is due to the excellent leadership of our Rector.

The investments in the Principal Account from which we derive our income have a book value of and are made up as folows:

General Investments Unrestricted	$105,563.08
Endowment Fund	217,545.38

Total	$45,460.78

The investments constituting all of our trust funds are in sound and income paying securities, appropriate for the requirements of each fund, and, in many instances, show values in excess of the figures at which they are carried on our books.

The books and records of the Church, as well as those of our Fiscal Agent and Trustees of the Trusts of which we are Beneficiary, continue to be the subject of audit and examination and the reports thereof are on file for inspection.

I again extend to all whose help has meant so much my sincere thanks and beseech the continued support and loyalty of all to our various activities.

Respectfully submitted,

I. Smith Raspin, *Accounting Warden.*

NOON-DAY SERVICES

The Noon-day program has now broadened in scope so that services are held every weekday except Monday and Saturday. The Tuesday Business Men's Club with luncheon has increased in growth since it was started in the latter part of 1948 with 1,276 in attendance. The Wednesday services which have been a permanent feature for years, continue to show growth with a total attendance of 1,903. This is followed by a celebration of the Holy Communion once a month.

The two Thursday Healing Services have shown tremendous growth and appeal with 4,144 persons availing themselves of this healing mission. Dr. Price refuses to take a plate offering, feeling that its effectiveness would be destroyed. People who have been benefited have voluntarily contributed more than the other services combined. There is also a Communion Service every Friday at which 1,517 were in attendance.

The combined attendance figures are 7,223 against 5,154 reported last year.

NOON-DAY LENTEN SERVICES

For the entire forty services, fifteen speakers were presented, including our Rector. The roster was substantially the same as last year including Dean Moor of Pittsburgh, Dean Adams of Trenton and Dr. John Gaynor Banks of San Diego, California. The total attendance amounted to 18,811 as against 17,469 last year.

The Ash Wednesday service was conducted by Bishop Hart, with an attendance of 1,500. Our traditional Good Friday program was continued with Bishop Remington preaching in the fore-part, followed by the rendition of the "Crucifixion" by our Choir under the direction of Dr. Matthews, and in which the congregation joined heartily in singing the hymns. The service was concluded with the Hour of Meditation again conducted by Bishop Remington. Approximately 6,000 persons attended the Good Friday services.

It is noteworthy that the offerings from our entire Noon-day services have amounted to over $4,200.00, and after paying all expenses these two funds this year contributed $2,500.00 to our parochial support.

PARISH VISITOR'S REPORT

DR. PRICE AND ALL MEMBERS OF ST. STEPHEN'S CHURCH:

Since my duties as Parish Visitor began the first of September, 1948, this report covers only the past seven months.

Subsequently, my time has been divided between the office and making calls.

During the morning hours, in the Parish House Office, every day brings one or two persons and very often, three or four, each with his or her particular problem; each one seeking some advice or aid. It is difficult to know how much has been accomplished for these people, but they have all been given time and consideration and have been helped in various ways; some by food, some with clothing, others with money, where the need was acute. A few have been aided in finding rooms, several have been helped in finding jobs. Glasses have been obtained for two people, through the Pennsylvania State College of Optometry, still others were given immediate or temporary help and have been directed, through appointments, to the proper agencies or channels for investigation and more permanent help or rehabilitation.

On several occasions I have been able to do shopping for our members in the Homes. During the trolley strike, I was able to bring one of our members from the suburbs into the bank after an illness. Another time, I was able to take a woman who had been ill for some time to her physician. I have made several calls for clothing and magazines, upon request from those who contributed them. Over 225 pieces of clothing have been disbursed, most of which was donated by the members of the church.

One hundred twenty-five dollars was received and disbursed for food, clothing or to supplement inadequate incomes or for train fare, when it was impossible to contact other emergency agencies and the need warranted.

Fifteen visits were made by me to Hospitals and Institutions.

Sixty-five dollars was collected for and turned over to the Red Cross by me from members of St. Stephen's. Two contributions were turned over by me from members of St. Stephen's to the Community Chest.

Condolence, get-well cards and cards of various kinds have been sent out.

Calls were made also in investigating those who received Christmas baskets. In addition to this, almost 500 house calls have been made. These calls are usually made during the afternoon hours and because the people are so scattered over the city, it is naturally a slow and tedious job. It is, however, both pleasant and helpful to meet the people interested in one way or another with this unique and outstanding church. These people are the regular members of St. Stephen's, the Hard of Hearing Congregation and the other groups of people on the mailing list. I am pleased to say that I find them for the most part cordial and gracious.

Another part of my work has been to assemble material for a "Guild of the Little Children"—covering infants baptized during 1948-1949, thus putting into the hands of the parents, both secular and religious literature for the spiritual guidance of the child from birth to two years. The first two installments have already been put into the hands of the parents.

At this point I want to thank all who have given clothing, which I can assure you was put to good use and in many cases a God-send, especially men's suits and overcoats. I want especially to thank Mrs. Schmid and the King's Daughters for the flannel pajamas they gave which made several children happy and more comfortable at Christmas time. I would also like to thank all who have been so understanding and encouraging to me when taking over this work which had been done so ably and for so many years by my predecessor, Mrs. Mearns.

It is very gratifying to see the interest shown by all who contribute in any way to this work.

Respectfully submitted,

MADELINE KELLER.

Community House Report for 1948-49

A summary of the activities report of the Community House of St. Stephen's Church shows the following organizations meeting regularly throughout the year—the Church School of St. Stephen's Church, the Hard of Hearing Bible Class, the Mothers' Meeting Club, the Girls' Friendly Society Sponsors, the Friendship Club, St. Stephen's Church

Auxiliary, the Hard of Hearing Chapel Auxiliary, the Young People's Club, the Boy Scouts, the Teen Agers and the Junto Evening School Groups. With the exception of the Young People's Club, all these organizations have had successful meetings in the Community House. The Young People's Group, due to a falling off in membership through marriages, and a lack of leadership, has discontinued its activities and it is problematic if they shall start up again. However, since November 1948, we have in the Community House the beginnings of a successful young people's club called the Teen-Agers Club. They are meeting on alternate Saturday nights and have had as many as forty young persons in attendance. The leadership is from the group itself and they are anxious to have an older person with experience to guide them and act as their sponsor. Anyone in the Church wanting to help this group as their leader and sponsor please let me know.

In addition to the regular activities, the Community House has lent its facilities for three large bazaars, three square dances, the Girls' Friendly Society Convention, six card parties, fourteen various large shows and entertainments, seven dinners and the Music Commission of the Diocese of Pennsylvania had six meetings here. In addition to the numerous Scout activities we also made available our facilities for the scouts of the Baptist Church at 17th and Sansom Sts., which church was destroyed by fire.

This is a seven-day-a-week program and in my last report I spoke of the operating costs and urged all organizations to contribute toward the maintenance of these fine facilities offered to us by St. Stephen's Church. I also mentioned our efforts to operate on a reduced budget and I am happy to report that we have shown for the Community House operation a saving of over $1,700.00 for the year 1948 as compared to 1947. To all of you whose organizations have contributed to make this possible I offer my thanks. This is not a sign that we can relax in our economy, and we can all help by protecting the physical property from damage and not being careless with the lighting.

From time to time we distribute literature in the Community House advertising the work being done in the Church. The Church does not exist for the Community House, but rather the Community House exists for the Church. Therefore, we are all in a sense Missionaries when we are in the Community House. Every organization should be represented in the Church and the Church's program. The integration of the work of the two buildings here on Tenth Street will make St. Stepen's Church even greater. Let us all work to this end.

Respectfully submitted,
GUSTAV C. MECKLING,
Director of the Community House.

1948 Report on the Chapel for the Hard of Hearing

During 1948 the Chapel for the Hard of Hearing continued in its work of bringing the Church's Services to those persons who have a hearing loss and use hearing aids. Throughout the Winter and Summer months their constant and loyal attendance and support of these Services is a silent testimony of their appreciation of this wonderful opportunity to worship God in the quiet dignity and beauty of St. Stephen's Church.

Although the figures are not computed the work has progressed during the year. And, whereas, we were experimenting in building up our choir at the beginning of the year, as our choirmaster's report will show, we now have a fully rounded choir of twenty or more voices.

The Board of Managers of the Chapel has been active in solving our financial problems, and with the aid and generous support of the Woman's Auxiliary has turned in a fine record for the year. The financial reports presented with this report and those of the Woman's Auxiliary, the Bible Class and Choir give the complete picture of the work of the Hard of Hearing in St. Stephen's Church. To Dr. Price, his Vestry and all the many friends we have in St. Stephen's congregation, we offer our thanks for their sympathy and support in our work. It is our prayer that our work together will continue and that we shall go forward with Dr. Price in making this Church stronger and a more vital part in our lives.

Respectfully submitted,
REV. GUSTAV C. MECKLING,
Minister to the Hard of Hearing.

REPORT OF THE CHOIR, CHAPEL FOR THE HARD OF HEARING—April 4, 1949

Much has happened in the way of development toward a better and larger choir since last year's report.

I want to start with an expression of appreciation for the continuous and earnest support of the work of our choir by the little group which was active when I came into the work in September, 1947. Their faithfulness in coming quite regularly for some months when we were, naturally, just "riding along," has been the base rock upon which we now build.

Early in this year we made specific efforts to acquire more members. Wishing to increase in quality as well as quantity we advertised in one of the papers for singers wishing to further their studies, offering them instruction in exchange for regular attendance at rehearsals and services. We have added several fine solo voices and as many helpful chorus voices; and of course some of these latter may become solo singers too. Some of our new singers have been obtained by the efforts of other members of the group, and we want to express our gratefulness for their interest and help.

There are now about 20 active members in our choir. Our plans call for a "Get Acquainted" party in the Community House on April 29; and on Sunday evenings a solo by one of our members besides the usual offertory anthem.

My association with this work has been most pleasant; and it is my sincere hope that we may continue thus for many years. Mr. Meckling is a grand "boss" with whom to work.

THE WOMAN'S AUXILIARY OF THE CHAPEL FOR THE HARD OF HEARING

With an average attendance of 20, the Woman's Auxiliary of the Chapel for the Hard of Hearing has held its meetings throughout the year at 3:00 P. M. in the Community House on the first and third Tuesdays of each month.

Two luncheons, "Luncheon is Served" and a "Bulletin Luncheon" were given by our members.

A musical extravaganza "Cox and Box" by Gilbert and Bernand was very much enjoyed by a large audience.

One of our famous spaghetti and meat ball dinners was served by our good cooks, after which a book review "Laughing Into Glory" was given by Mrs. Wells.

A Lawn Party and Cake Sale held in June at the home of Dr. Price cleared $59.91.

On the first Thursday of October we had our annual Autumn Bazaar. We cleared over $1,000.00. This is our largest activity of the year and enables us to meet our various obligations.

Contributions were made to the Missionary Work of the North Philadelphia Convocation; the Episcopal Chapel for the Hard of Hearing; the Christian Settlement House; Educational Week for the Blind; St. Stephen's Anniversary Fund; Lawn Fete of the Episcopal Hospital; the Community Chest; the United Thank Offering and the Mile of Pennies.

Thirty-six beautifully wrapped Christmas packages and 6 bed jackets were sent to the Elizabeth Price Martin League, Unit No. 1, Philadelphia General Hospital. A Committee from the Auxiliary helped to serve luncheon and dinner at the Episcopal Hospital Lawn Fete.

Last summer, through the generosity of Holy Trinity Church, we were given the use of Holiday House, Sellersville, Pennsylvania, for one week. This provided a wonderful vacation for about six of our Chapel members. We also provided Thanksgiving dinners for a few hard of hearing friends.

With the help of our Rector, the Rev. Gustav C. Meckling, and a committee of women from the Auxiliary, we have purchased, prepared and served the Business Men's Noon-Day Luncheon every Tuesday.

These luncheons started May 11, 1948, and continued through June 29 of the same year. After the summer, we again took up the work on September 14, 1948, and will continue until the 28th of June, 1949.

We have enjoyed doing this work and hope we have shown satisfactory results.

We wish to thank the Rector and the Vestry of St. Stephen's Church for helping us further the work of the Hard of Hearing.

Respectfully submitted,

RUTH HOLMES BECHTEL, *President.*

THE BIBLE CLASS

An ancient Chinese proverb tells us that "Talk is the father of trouble; men and fish are safe until they open their mouths." However, it would require much talking to measure the influence of the Bible Class and "report" on it.

The "cold statistics" are these:

Twenty-eight regular Sunday afternoon meetings.
Average attendance, 45.
Loss by death, 1.
The vital statistics are much more thrilling.

In Nehemiah the 8th chapter we read of the first Bible Class ever held. We are told that Ezra the scribe, "Read in the book in the law of God distinctly, and gave the sense and caused them to understand the reading." This is what we seek to do in the Bible Class. We have precious ties on Sunday afternoons studying together. And as we study the Lord Himself blesses. Every service we echo in our hearts the words of Annie Johnson Flint:

"He giveth more grace when the burdens grow greater.
He sendeth more strength when the labors increase.
To added affliction He addeth His mercy,
To multiplied trials His multiplied peace.
When we have exhausted our store of endurance,
When our strength has failed ere the day is half done,
When we reach the end of our hoarded resources,
Our Father's full giving is only begun.
His love has no limit, His grace has no measure,
His power no boundary known unto men;
For out of His infinite riches in Jesus
He giveth and giveth and giveth again."

Respectfully submitted,

HANNAH E. YEAKLE,
Teacher of the Bible Class.

MOTHERS' MEETING—1949

The Mothers' Meeting has met every Thursday evening in the Community House except on Maundy Thursday, when a Corporate Communion was held for this group in the Church. The total attendance for the 30 meetings is 2,621. Eleven members have a perfect record for the year.

Our programs have been instructive and entertaining. They consisted of—Speakers—Dr. Price, Mrs. Maurer, Professor from Temple University on Radio and a representative from the Community Chest.

Moving Pictures—Philadelphia Electric and Cancer Research.

Pictures with projector—Cathedral windows and pictures taken on the picnic.

Music: Miss Charlotte Shoemaker, The Burd School Girls, and Neighborhood Children.

Entertainment—Plays—Karay Players, Town Criers.
Dance—Dramas—Miss Evelyn Blackburn.
Parties—Hallowe'en, Christmas, and Closing.

Last May the Mothers were given a picnic to Abbott's Farm for their outing from St. Stephen's. A cafeteria luncheon was served and all the milk they could drink. Many of them took part in the treasure hunt through the woods, the potato race, the balloon contest and the trip through the dairy. Most of them were just glad to sit in the warm sun and watch the others play. They liked it so much that we have planned to go there again this year on June 2.

The biggest event of the year was the St. Patrick's Dance. Every member turned out to enjoy the Irish music played by two men from the Ferko string band. One played the banjo, the other the accordion. Some of the women dressed in Irish costume and many did all the old time dances.

The funniest evening was the potato dressing contest—twins, turtles, brides, red riding hood and almost anything you would think of. About 30 competed for prizes.

Through the kindness of Mrs. Raspin each member is made to feel that her birthday is her own special day by receiving a birthday greeting. They are so happy to think that the Church has remembered them.

My association with this group has been a very happy experience and I consider it a privilege to have worked with them for the past eleven years.

Respectfully submitted,

NELLIE P. MEARNS.

United Thank Offering

The Diocesan Fall Ingathering of the United Thank Offering was presented at Holy Trinity Church on November 4, 1948. We were privileged to hear the Presiding Bishop, the Rt. Rev. Henry K. Sherrill, preach at this service. The offering was the largest ever given, the total sum being $20,557.00. Six thousand persons shared in the giving.

Our offering at St. Stephen's was also the largest we have given, $252.00 from sixty-five contributors.

The Spring Ingathering will be presented at a service of Holy Communion to be held in St. Clement's Church, 20th and Cherry Streets, on Monday, May 2, at 10:30 A. M. Bishop Hart will be the celebrant. The figures are not, as yet, available. Our offering, held on April 24, amounted to $160.05 from seventy contributors.

The last year of the Triennium has come, bringing with it the sixtieth anniversary of the United Thank Offering. Next September, when we present this great gift at the General Convention, we want Pennsylvania to be high on the list of donors. We can do it if we put forth our best efforts in prayer and work.

Respectfully submitted,

ELIZABETH M. TINSLEY.

Organist and Choirmaster's Report—1949

Perhaps the most important thing for the Choirmaster to report this year is our problem regarding the organ at St. Stephen's. The present organ was installed about 44 years ago at an initial cost of about $18,000. It has given remarkable service, far above the average but is now showing its age.

For the past two years we have gone through some of our big services with our fingers crossed, fearing that it might refuse to function at any moment.

Prior to our anniversary services last year, the Moller Organ Company did some temporary work on the organ to guard against a complete breakdown. This work proved to be very effective but must not be considered as a permanent cure.

The several experts we have called in all agree on this.

A great many people wonder why an organ wears out for they think of it chiefly as a lot of metal and wooden pipes which seem practically imperishable. The pipes, however, are a very small part of an organ and it is the delicate mechanism inside the organ which wears out, such as the maze of wires and contacts and the delicate leather used in the pneumatics.

Now, in rebuilding an organ such as ours, many of the pipes could be used and also the handsome wooden case, but I would like to advise that the present display pipes in the front of the organ be removed and grill work substituted for them in harmony with our window designs. This would improve the acoustical properties for the present dummy pipes cut off a great deal of resonance.

Dr. Wood's organ at the Blind Institution, similar in many ways to our own, broke down some years ago and was completely rebuilt.

It is, of course, possible that our organ might continue to function in its present condition for another year or two, but personally, I would not want to take the responsibility of taking a chance on this.

And so I am thinking of St. Stephen's Church and the future when I say that I believe some action should be taken soon.

It must also be remembered that whatever is done in the way of rebuilding could hardly be completed in less than 18 months from the time of placing the order.

Respectfully submitted,

H. Alexander Matthews,
Organist and Choirmaster.

Christmas Dinners

The Christmas Dinner Committee reports the following for the year 1948:

Contributions added to the balance from last year totaled $305.02. Expenses covering cash gifts to thirty-three families, gift certificates to thirty families and three boxes to members of the Army and Navy totaled $270.02. The charges for postage, envelopes and acknowledgment cards amounted to $5.00. This leaves a balance of $35.00 in the Church Discretionary Fund.

We sincerely thank you for the contributions which make possible this added cheer to so many worthy people at Christmas time each year.

BURD SCHOOL REPORT FOR THE YEAR 1948-1949

Burd School reopened Tuesday, September 7, 1948, with a registration of twenty-seven girls.

Two children were admitted to the Reformed Episcopal Church School Kindergarten. Thirteen girls returned to Comegy Elementary School, seven girls to Shaw Junior High School, and five girls to West Philadelphia High School.

The desirability of improving their scholastic standard was discussed with the girls. As a result, it is felt there has been a marked improvement.

Next September, a new policy will go into effect that is; the Junior High School students will attend the Bartram Senior High School.

Last September the need for a change in the mothers' contributions towards clothes and allowances was discussed by the Managers. It was voted at that time to increase the monthly payment of each mother (or guardian) according to her income; Burd School would take under its sole supervision all clothing and allowances for the girls; and the balance, if any, would be credited towards general maintenance. This program is still in its experimental stage but in another year the results should be definitely established. To date the new system has been satisfactory from the School's end and, we believe, the mothers' point of view.

Religious instruction has been carried on with Chapel services each morning, Confirmation Instruction, Bible Stories, and special services conducted by Dr. Price. The results have been gratifying. The girls voted to send a complete dinner for a family of six in a Thanksgiving Basket, one girl was confirmed, another baptized, and there were volunteers from the student body to conduct Chapel.

The school has attempted to present a program that would tend to lead the girls a normal social life. They have had the privilege and pleasure of attending Brownie meetings, Scout meetings, Overnight hikes, Sorority meetings, Concerts, Theater, Movies, Swimming, Museums, Ballet, Piano and Art Lessons, Dances and Teas. In turn, they have entertained Sorority Sisters, given dances, birthday parties, and had guests for dinner.

This year, the elementary students have come home to lunch. The opinion has been expressed that this has been a contributing factor in the excellent health record for the entire school year. The girls have been under the care of the Burd School physician. Each girl was given a chest X-ray. Five girls attended the Orthopedic Clinic regularly. The eyes have been examined and each week there have been three appointments made with the school dentist. Upon the return from vacations all students were examined by the doctor to check any disease that might have been contracted during vacation.

One senior was a member of the graduating class of West Philadelphia High School in February. She is now receiving her nurse's training in the Philadelphia General Hospital.

One girl from the junior group and one from the senior group were returned to their homes. In March, a five-year-old was admitted, giving us the present registration of twenty-five.

The Burd School Staff wish to express their appreciation for the fine co-operation and leadership of the Burd School Committee. With the support of the Committee, the year has been considered a pleasant and profitable one.

Respectfully submitted,

Charlotte U. Day,
Burd School Directress.

Report of the Treasurer of Burd School

The Report of the Treasurer of Burd School will be both brief and, in a sense, tentative. Brief, because these remarks are mostly in a happy vein and need not be expanded to any length; tentative, because, as will appear hereafter, certain new operations recommended by the Directress and the Administrative Committee and approved by the Vestry, are now being put into operation, the final results of which will not be fully apparent for a period of at least another year.

The fiscal year ending June 30, 1948—the last year audited by our Certified Public Accountants—showed that we had made a slight improvement over the preceding year in narrowing the gap between income and cost of operation. In fact, the gap is probably narrower than the figures would indicate, as certain of the items customarily and properly carried in the operations account should be more fairly looked upon as capital items, and amortized over a period of years, to wit: such items as the purchase of a station wagon at approximately $2,000.00; and replacement of the major unit of our hot water system at an approximate cost of $750.00. These are clearly non-recurring items, the full cost of which should properly not be allocated to a single year.

Nevertheless, the Managers and the Vestry were so acutely aware of the rising cost of living (which, fortunately, in more recent months has shown some signs of declining) that, last Spring after a long discussion

of the advantages, both tangible and intangible, a major reorientation was made in the system of mothers' or guardians' contributions. In the past, a minute, flat contribution was made by the mothers or guardians of girls, which was allocated specifically toward allowance and clothing. Under the new system, and particularly in view of Social Security payments being received by practically all mothers or guardians today, a monthly sum is paid toward the general support and maintenance of each girl at the Burd School, which sum is specifically tailored to fit the income of each mother or guardian. In return for this change in the system, Burd School assumes full and sole responsibility for clothes and allowances, neither item being allowed to be given or paid directly to a girl without specific permission of the Directress. It is to be emphasized, however, that the new system provides for the monthly sum being paid toward general maintenance and support—it is not allocated between clothes and allowances only, as has been the practice in the past.

Finally, the Treasurer is most happy to report that our new Directress, Miss Day, has met the general budgetary problem squarely and courageously, with the help of the staff: and, after several meetings to analyze the requirements of each item, a budget has been adopted for the six months ending June 30th that will provide for a further substantial reduction in the overhead costs, without sacrificing any of the standards which Burd School insists on maintaining.

The Treasurer cannot express too warmly his appreciation for the support Miss Day and the Staff have given him, not to mention the conscientious work done by the Bookkeeping Department under the control of our fellow member of the congregation, Mr. William S. Smith, who has not only been a tower of strength in keeping the mechanics of the finance department running smoothly, but also has contributed much in the way of suggestions on many of the budgetary items.

Respectfully submitted,

EDWARD S. MORRIS, *Treasurer.*

REPORT OF WOMEN'S COMMITTEE OF THE BURD SCHOOL, 1948

The Women's Committee of the Burd School started the year with a tea for Miss Charlotte Usher Day, the new Directress. The tea was very well attended. Sandwiches were served and the ladies of the committee poured tea.

During the winter months, Miss Day arranged to move the office to the front of the house. This was done with a two-fold purpose:

(1) To place the office nearer the front door.

(2) To provide a playroom for the smallest girls.

The Burd School has felt the budgetary impact of increased living costs. Therefore, the Women's Committee was asked to provide the funds to purchase furniture suitable for these girls. So in March, the Woman's Auxiliary of St. Stephen's held its meeting at the Burd School and afterwards Mrs. Price and two of her friends gave a perfectly lovely concert. Tea was served and the very generous contributions from a Chinese Auction and a silver offering were given to the Women's Committee to be so used. On April 20th, under the able management of Mrs. Wilson Leithead the Women's Committee held a card party followed by a

Chinese Auction. Again the donations were most liberal and with the proceeds from these two affairs, we will be able to furnish the room adequately and nicely.

Regular meetings have been held the 2nd Thursday of each month with the exception of January, and many members bring sandwiches which they eat with tea or coffee provided by the school, while the children have their lunch.

We all feel a tremendous debt of gratitude to Miss Day for the inspired and imaginative way in which she has handled her many problems, and I personally want to thank Dr. Price, the Vestry, all the members of the Women's Committee and the Staff for their hard work.

Respectfully submitted,

LESLIE H. MORRIS, *Chairman,*
Women's Committee.

YOUR SUNDAY SCHOOL DURING 1948-1949

The period for which this report is made has seen some changes in your Sunday School.

You will recall that in the last report mention was made of the fact that a committee appointed by the Vestry was actively engaged in investigating possibilities of and approaches toward establishing an honest to goodness work in this field. Many things were considered:

1. The advisability and the cost of a survey of the area extending from Spring Garden Street on the North to Pine Street on the South and from the Delaware River on the East to Broad Street on the West, to determine how many children of Sunday School age were in this area;
2. The time that the School should be called together for classes;
3. The advisability of paid teachers;
4. The material available from the church records;
5. The help that members of the congregation could give;
6. The curriculum;
7. The division of the pupils into classes; and
8. Publicity.

It is one of the unfortunate situations, obtaining generally throughout this country, that there is not some central agency that can supply the names and addresses of children in the Sunday School age brackets in a given area. It is also unfortunate that it is not possible to obtain this information through the public school system. This information if made available, would certainly furnish the means of contacting not only the pupil but the parents and go a long way toward insuring a regular attendance at the Church School. The practical difficulties and the expenses of making a house to house survey in an area such as indicated are well nigh insurmountable. Depending chiefly, as we must, on lay and volunteer assistance although an attempt was made, it soon became apparent that a survey such as contemplated could not be accomplished. I believe, however, that the surface was sufficiently scratched to enable the Committee to decide, that a Sunday School was feasible and necessary at St. Stephen's.

The Committee found by an examination of the Baptismal records of the Church for the past ten years or more that there was, in the Church

itself, a never ending nucleus for a church school. A list was made of the parents and a special appeal made thereto. In addition, the members of the congregation known to have children of Sunday School ages were added to this special list.

With such a starting point attention was turned to a program, division of classes and a time for holding the School session.

On the former question Miss Beryl Newman at the Church House was consulted and a satisfactory program worked out with her help and that of Miss Jane Welte, our Rector and Mrs. Price. Your superintendent also attended a number of evening sessions at the Church House in the latter part of October and early November of last year. As a result we do have a program and course of study which is attractive to the different age groups and which involves and makes use of the three best methods of learning, the eye, the ear and the hands.

The hour of the Church School is, as many of you have noted, the same as that for the 11:00 o'clock Church Service. This has the very distinct advantage granting to the parents a late Sunday morning and also of enabling the parents to attend Church at the same time their children are attending the School session. It has produced results.

In the field of publicity our Rector has been particularly helpful with articles in the *Parish Bulletin* and special appeal letters with which you are all familiar. With these and with the help of members of the congregation we are growing and we have gotten off to a good start. The classes divide and are under the supervision of the following:

Mrs. Price, assisted by the Misses Emma Smith and Eleanor Reed are in charge of the nursery and kindergarten class.

Miss Lola Ball is in charge of the girls nearest to confirmation.

Miss Grace Campbell, the girls from about five to eleven years of age; and

Your superintendent is in charge of the boys.

How many of you really know what an opportunity our nursery and kindergarten class affords to the grown ups as well as the tots to attend Church? Do you realize that you can come to Church *with* your *youngest* children, enjoy the worshiping secure in the knowledge that your children are being taken care of and are acquiring the habits of Christians from the very beginning of their lives? St. Stephen's offers you this hour of "baby sitting", if you choose to so call it, *absolutely free*. Come out, all of you parents with young children, and relax in Church!

The third floor of the Community House is now the Sunday School workshop on Sunday mornings. Everyone is invited to come over and attend the classes and see what is being done.

This year 60 pupils have been entered on our rolls, 43 of them active and regular attendants.

Our Sunday School offering through the mite boxes and regular collections will exceed $200.00

We have investigated and believe that there is a great field in audio-visual education and, with this in mind, the Vestry has authorized the purchase and we now have a splendid slide projector and screen which will be henceforth used for relation of the various Bible stories and lessons.

The Sunday School Committee and the Sunday School cannot pass without extending their sincere thanks to everyone who has in any way brought nearer our goal of a fine, healthy, growing Sunday School. We believe we are on our way. The continued support of all will enable us, we are sure, to have a Sunday School of which we may be proud and the pupils of which will be Christians.

Respectfully submitted,
EDWIN S. HEINS,
Superintendent and Chairman
of the Sunday School Committee.

THE WOMAN'S AUXILIARY

We are bringing to a close a highly successful year, during which our attendance has increased substantially.

The season was high-lighted in December by a Christmas party over fifty persons, at which refreshments and entertainment were provided. were provided.

A new venture, the first in the history of the Auxiliary, was launched on Wednesday, March 9, 1949, when we served a luncheon attended by to approximately one hundred guests, resulting in a net profit, which was transferred to the treasury.

The total receipts for the year were $847.00, of which $600.00 was distributed to the five committees. In addition to these payments, small sums were sent to various charities such as Galilee Mission, Harrison Home, House of the Holy Child, House of Rest for the Aged, Episcopal Hospital, All Saints' Hospital, St. John's Settlement House, and Seaman's Church Institute. A resume of receipts and disbursements for the year may be found in the Treasurer's Report.

As a final function, we plan to hold a strawberry festival and operetta on May 20, 1949.

We look forward to greater activity and service in the year to come and take this opportunity to invite our new church members to join the Auxiliary, where a hearty welcome awaits them.

Respectfully submitted,
ELIZABETH M. TINSLEY.

KING'S DAUGHTERS WHATSOEVER MISSION

The King's Daughters meetings are held the first and third Tuesday of the month from October until the end of May. Most of our time is taken up with sewing; on the last meeting night we have a social evening.

The past year we made 16 neckerchiefs for the Boy Scouts, 12 pairs of pajamas for the Burd School, 6 cap, sacque and bootee sets, 4 extra sacques, 3 wrappers, 14 children's dresses and 7 dozen diapers, which were given to the Children's Hospital, Home for Consumptives, and needy children; most of the material for the dresses was contributed by the members.

At Christmas we wrapped 24 packages with toys for children which we gave to Jefferson Hospital; we also made donations to the Leper Fund and Home for the Aged at Narberth.

Girls' Friendly Society

St. Stephen's Branch

St. Stephen's G.F.S. Sponsors are nearing the close of a successful year. An average of from 20 to 25 enjoy a well-cooked and appetizing supper each Monday evening, and all agree that we have the best cook in Philadelphia.

Various means have been used to provide the money necessary to allow us to contribute towards the needs of others, namely: card parties, auctions, sale of cards, stationery and costume jewelry, and personal gifts of money. Several packages of used clothing and other articles were sent to Caney Creek Community Center, Pippapas, Ky.; also Christmas gifts to men and women at Harrison Home, and baskets of fruit to two of our shut-in members—for all of which we have received grateful and appreciative letters.

In November last our Branch was host to a combined meeting of West Philadelphia and South Philadelphia Districts of the G.F.S., and over a hundred people were served supper by our Supper Committee.

A Corporate Communion was held in St. Stephen's Church on November 7.

We have a splendid Devotional Leader, who presents a helpful Service each Monday evening; also, our Publicity Chairman has planned many evenings of interest and enjoyment for us, including two book reviews, moving pictures taken in Florida and New Mexico, and presented by Miss Bertha Bennett; a talk on Alaska, by Miss Mockett; and other evenings when we entertained ourselves with singing or with games of various sorts. We had a monologue one evening given by a representative of the Philadelphia Dairy Council, demonstrating points on nutrition.

Miss Mockett, our Associate, has been untiring in the sewing which she has accomplished during the year. From pieces of materials furnished by members and others, about fifty or more children's dresses made by her have gone to Great Britain and other overseas countries; and many, many small quilts she made are being sent to Alaska. These articles have all been distributed in the name of St. Stephen's Branch of the Girls' Friendly Society.

Our *Special* Mission Object this year has been Mrs. Violet Phinney, a G.F.S. member who is now working with Bishop Huang, in China. We also are interested in the Indian Mission in Arizona, and are collecting beads, jewelry, bright colored scarfs, etc., to send to them. Also, we have completed our three-year pledge towards the Presiding Bishop's Fund,—our contribution amounting in all to $191.00.

We were pleased to have Dr. Price with us a couple of evenings, and Dr. Hart also spent one evening with us and gave us a helpful talk.

Our members all being of the older generation, it is to be expected that each year we may lose one or more. Since our last Annual Report we have been saddened by the passing of Mrs. David D. Wood, a devoted Associate for many years and loved by all of us, as well as Helen Swarts and Mrs. Dougal Paterson, both of whom were faithful members.

On Sunday, April 24, the entire G.F.S. of the Diocese (including Juniors, Teen-Agers and Sponsors) held a Service at Holy Trinity Church. The Rev. John Shryock, Rector of Grace and Incarnation, was the preacher.

Respectfully submitted,
BERTHA T. WALSHE,
President, St. Stephen's Branch.

The Benevolent Society

We appreciate the continued interest shown in our work by the congregation, and the generous contributions which enabled us to function during the season of 1948-1949. Our sewing output consisted of four thousand pieces, distributed to the following hospitals and organizations: Burd School, Visiting Nurse Society, Jefferson, Woman's, Germantown, Presbyterian and Price Hospitals.

Two more new sewers, both good workers glad of this opportunity of adding to their small incomes, were added to our list this year.

It was a matter of deep regret for the Secretary and Treasurer to have been obliged to be absent for three months during this year due to the illness of her sister, Miss Elizabeth Davis, but she hopes, with God's help, to be able to return to her duties during the ensuing year.

Boy Scout Troop No. 2

CHAIRMAN'S REPORT, 1948

Former Scouts and Scoutmasters are graduated to the Committee, which meets the last Wednesday evening in each month in the Community House and includes our present Scoutmaster, Mr. Lyman, who is doing excellent leadership as per his report. One of our former Scoutmasters, Mr. Frederick Schmid, Jr., is Secretary for the Committee.

The Chairman of the Committee, when some years ago as a Delegate to a Convention in Glasgow, Scotland, was pleased to hear General Baden-Powell say: "Scouting for boys is profoundly religious and essentially Christian." General Powell was founder of the Boy Scout Movement which has spread to most of the nations of the world.

Respectfully submitted,

GEORGE H. STREAKER, *Committee Chairman.*

Troop 2, B.S.A., Scoutmaster's Report

During the twelve months' period from February 15, 1948 to February 15, 1949, the work of Troop 2 showed a decided improvement over that of the preceding year. We met the standard unit requirements prescribed by Scout Headquarters and received the "Red Star" Award for achievement, while on April 25, 1948, Gerald Paltin received the Good Citizenship medal awarded by the D.A.R. for outstanding character and service.

On February 15, 1948, we registered 21 scouts and junior leaders together with the Scoutmaster and four Assistant Scoutmasters. None of the Assistant Scoutmasters, however, were able to give active service regularly to the troop because of non-residence, or the demands upon their time by night employment and college studies, consequently, at the end of the year George Ingham, who lives in Woodbine, N. J., was dropped and Fred Chassey and Albert Krimmel transferred to our Troop Committee which meets once a month and upon which, we are glad to say, they will be able to serve. This leaves Robert Krimmel as Assistant Scoutmaster. He will give the Troop such time as he can spare from his college work and will be joined on March 1 by Gerald Paltin, who is being promoted from Jr. Assistant Scoutmaster and by John N. Gills, Jr., a Star Scout with nine years' former service with our Troop and whom we are happy to have with us again as Assistant Scoutmaster.

During the year six of the older scouts, who because of employment or college studies, were no longer able to attend meetings but wished to stay with the Troop, were transferred to associate membership and on February 15, 1949, we registered 18 active and 6 associate scouts, a total of 24.

In July, thanks to the generosity of our sponsor, St. Stephen's Church, 12 boys enjoyed a week's camping at Treasure Island, where the cost this year was $14.00 per week per boy. Part of this cost was paid by the Church and the balance by the boy. The Scoutmaster, assisted by Gerald Paltin, Jr., Assistant Scoutmaster, was privileged to enjoy this week with them. In addition to our summer camp, the troop conducted seven overnight camping trips of one or more nights each in which a total of 19 boys participated, so that during the season every scout in the Troop had at least one night of camping. We also took fifteen day-hikes mostly with small groups, and all but three of the boys took part in one or more of these.

We advanced two scouts to First Class; nine to Second Class; and the rest of our Tenderfoot scouts are doing satisfactorily. We have several applications from new boys wanting to join.

We endeavored to maintain an active program throughout the year District Mardi Gras, sending a color Guard to the Elks' parade, meeting District Mardi Gras, sending a color Guard to the Elk's parade, meeting the "Thank You" train at Broad Street Station, distributing circulars, leaflets and posters for Clean-up Week Fire Prevention, Red Cross, Government Bonds, etc., collecting newspapers; giving a Parents' Night, Hallowe'en and Christmas parties, Christmas basket, visiting members of the troop who were in hospitals, attending baseball game at Shibe Park,

circus and ice hockey games at the Arena, visit to the Fels Planetarium, monthly swims at the Central Y.M.C.A. and during the summer months, swimming at Sunset Beach, New Jersey, and softball games in Fairmount Park.

We acknowledge with thanks a contribution of $95.00 from our sponsor, St. Stephen's Church, towards the expenses of our Summer Camp and the gift of a fine new basketball from Mr. Charles K. Hay. We also thank the members of our troop committee for their co-operation and help, the King's Daughters for making up our neckerchiefs and the Church for the Christmas candy.

Trusting that we may have another year of successful scouting activity including, if possible, two weeks at summer camp.

Respectfully submitted,

JAMES O. LYMAN, *Scoutmaster.*

Minutes of Meeting of St. Stephen's Parishioners

On Sunday, May 1, 1949, at one-thirty o'clock P. M., the Parish Meeting was called to order by the Rector, Alfred W. Price, D.D., following the Parish Dinner, and David L. German acted as Secretary thereof.

Dr. Price stated that under the Charter of St. Stephen's Church, it was provided that the meeting of the Electors should be held on Easter Monday, but might be adjourned to a later date; that following the custom the meeting of the Electors had been adjourned by the Tellers from Monday, April 18, 1949 to Sunday, May 1, 1949, at one-thirty o'clock P. M.

The Tellers appointed, Messrs. Mearns and Heins, were prepared to hold an election.

That due notice has been given to the members of St. Stephen's Church, including pewholders and sitting renters, and notice had also been given from the Chancel that the election would be held on this date, at this hour.

Mr. Raspin then moved the following resolution:

M., and does hereby approve the call for this meeting for the purpose of electing Vestrymen to serve for the ensuing year or until their successors are duly elected and qualify.

"That Messrs. Mearns and Heins be duly elected as Tellers for the purpose of said election."

Motion was seconded and unanimously carried.

Mr. David Magee nominated the following names to fill the positions of Vestrymen under our Charter:

DEAN EMORY R. JOHNSON	J. LEWIS ARMSTRONG	EDWARD S. MORRIS
I. SMITH RASPIN	J. B. MEARNS	CHARLES K. HAY
DAVID L. GERMAN	EDWIN S. HEINS	WILSON C. LEITHEAD

Nominations were duly seconded by Mr. William Smith and motion was made, seconded and unanimously carried that the nominations do now close and, there being no contest, the Secretary to cast the ballot electing the nominees as Vestrymen to serve for the ensuing year or until their successors are duly elected and qualify. The Secretary reported that he had cast the ballot of the meeting and the Tellers declared the nominees duly elected.

Dr. Price called for the reports from the various officers and societies.

The Rector submitted his report during the meeting.

After singing several songs the meeting adjourned.
